BACKGROUND

ABC Favorit is a straightforward, low-contrast grotesque that combines geometric rigidity with subtle oddities and a humorous touch. It's available in five weights with corresponding Italics, as well as a few special cuts and an underlined version, ABC Favorit Lining. Additionally, there are the sub-families ABC Favorit Extended, ABC Favorit Expanded and the mono-spaced version ABC Favorit Mono.

ABC Favorit Lining is the younger yet much smarter brother of ABC Favorit, as it has its own “smart underline” built straight into the font. With this feature, all descending characters can be merged to create unconventional letter shapes. Unleash its Connected mode, and the initial and final characters of individual words are conjoined by an extreme underline. ABC Favorit Lining is available in five weights with corresponding Italics.

We have spent the last years extending the typeface to cover additional languages. ABC Favorit Pro speak Greek and Cyrillic, while ABC Favorit Hangul speaks Korean. ABC Favorit Arabic is currently in the making.

TECHNICALITIES
